# December Newsletter

Bon Air Artists Association

## President's Message

My mother always said, "The older you get the faster time flies." It is nearly December already and I still hate it when she's right.

Our December meeting should brighten your holiday spirits. We will follow our tradition of a potluck luncheon. This year it will be at Bev Perdue-Jenning's home. Gina Venn will coordinate the luncheon. The directions are elsewhere in the newsletter.

Last month's program left me a little green—with envy. Carol Ann Meese shared her wonderful photos from her international trips. We got a virtual tour of Tuscany and a primer on packing for a painting holiday. I think everyone was ready to book their flight.

A big thank you goes to Barbara Nelson for the new club directory. Not only does she produce it, but she called over 30 members to see if they planned to join this year. (By the way, we have exceeded our membership projections.)

I know that December is a busy month, but I want to encourage you to set aside time for your art. That is as important as breathing for many of us. The world needs our creative spirits and we need to create art.

Happy Holidays to All!

Sarah
